leased Quarterly

\$1.00 Per Year

Instructions For Teachers From United States Railroad Administration Regarding Reduced R. R. Rates.

This is a suggested form of advice for you to furnish members of your organization, regarding certificate plan fare reductions.

IMPORTANT NOTICE TO MEMBERS

A reduction of one and one-third fare for the round trip on the "Certificate Plan" will apply for members (also dependent members of their families) attending the meeting of Missouri State Teachers' Association (Annual Meeting) to be held at St. Louis, Missouri, November 6-8, 1919.

The arrangement will apply from the following territory: Missouri.

The following directions are submitted:

- 1. Tickets at the normal one-way tariff fare for the going journey may be bought on any of the following dates (but not on any other date) November 3-8, inclusive.
- 2. Be sure when purchasing your going ticket to ask the ticket agent for a certificate. Do not make the mistake of asking for a receipt. See that the ticket reads to the point where the convention is to be held and to no other. See that your Certificate is stamped with the same date as your ticket. Sign your name to the certificate in ink. Show this to the ticket agent.
- 3. Call at the railroad station for ticket and certificate at least 30 minntes before departure of train.
- 4. Certificates are not kept at all stations. Ask your home station whether you can procure certificates and through tickets to the place of meeting. If not, buy a local ticket to nearest point where a certificate and through ticket to place of meeting can be bought.
- 5. Immediately on your arrival at the meeting, present your certificate to the endorsing officer, Mr. B. M. Carter, as Secretary-Treasurer, as the reduced fare for the return journey will not apply unless you are properly identified as provided for by the certificate.
- 6. Special Agent of the carriers will be in attendance on November 6-8, inclusive to validate certificates. If you arrive at the meeting and leave for home prior to the arrival of the Special Agent, or if you arrive at the meeting later than November 8, 1919, after the Special Agent has gone, you cannot have your certificate validated, nor secure the benefit of the return reduction.

No refund of fare will be made on account of failure to either obtain a proper certificate, or on account of failure to have the certificate validated.

- 7. It must be understood that the reduction for the return journey is not guaranteed, but is contingent on an attendance of not less than 250 members of the organizationn and dependent members of their families at the meeting holding regularly issued certificates from ticket agents at starting points showing payment of normal one-way tariff fare of not less than 75 cents on the going trip.
- 8. If the necessary minimum of 250 regularly issued certificates are presented to the Special Agent, and your certificate is validated, you will be entitled to a return ticket via the same route as the going journey at one-third of the normal one-way tariff fare from place of meeting to point at which your certificate was issued up to and including November 12, 1919.
- 9. Return tickets issued at the reduced fare will not be good on any limited train on which such reduced fare transportation is not honored.

BULLETIN MISSOURI STATE TEACHERS' ASSOCIATION

VOL. V-No. 3

E. M. CARTER, Editor

JULY, 1919

Official Organ of the State Teachers' Association: published quarterly in January, April, July and October, under the direction of the Committee on Publications and Publicity of the Executive Committee.

Entered as Second-Class matter October 28, 1915, at the Post Office at Columbia, Missouri, under act of March 3, 1879.

Annual membership dues, \$1.00 per year; 50 cents of which is to cover cost of the Bulletin. Subscription price to non-members, \$1.00 per year.

To Members:—If you change your address, please notify Secretary E. M. Carter, Columbia, Missouri, giving your old as well as your new address. Address all communications to E. M. Carter, Secretary, Columbia, Missouri.

Next Meeting M. S. T. A .- St. Louis, Nov. 6-8, 1919

Let's make it 20,000 in State and District Associations This Year

This issue of the Bulletin contains the preliminary program of the Missouri State Teachers' Association to be held in St. Louis, November 6-8, 1919, and full information relative to the Teachers' Reading Circle. The next issue will contain matters relating to the Reading Circles and the complete program of the St. Louis meeting.

Program 1919

The President, Miss Gecks, and the Department Chairmen have almost completed the program for the St. Louis Convention and are arranging one of the best of the Association's Programs. There will appear on the Program educators of national prominence as well as a number of the leading school people of Missouri. Please read carefully the following pages. The meeting will be an excellent and inspiring one. Teachers should begin planning now to attend the State and District meetings.

Booster Professional Enlistment Committee of 3,000 A big Booster Professional Enlistment Committee of 3,000 will be appointed to direct the campaign for advance enrollment for the St. Louis meeting and the various District meetings. If every member of this committee averages only six members the enrollment will run 18,000 and if every member should average seven members the enrollment will run 21,000. The following will be requested to serve on this committee:

The State superintendent of public schools and his assistants and others whom they may appoint; all city and town superintendents and principals of high schools, ward schools, grammar schools and village schools and others whom they may appoint; all county superintendents and any rural grade or

other teacher whom they may appoint; the presidents and deans of the faculties of all universities, colleges and normal schools in the state and others whom they may appoint; all Parent-Teacher Associations and others whom they may appoint; school board representatives; all book men.

High Enrollment for State and District Association Reports have begun to come in from all parts of the State and the indications are that the enrollment for the Associations this year will run higher than ever. The enrollment will surely break all previous records. A very large per cent of the Missouri Superintendents will enroll all of their teachers whether they all come to the meetings or not, because, as one Superintendent puts it, "The Association is responsible

for much of the good school legislation passed and is fighting the battles for all Missouri teachers. Every Missouri teacher should be a member and contribute to its support whether in attendance or not."

T. R. C. Books 1919-20 The Reading Circle Board has adopted four excellent books for 1919-1920. They are as follows: Jordan's Democracy and World Relations, McFee's The Teacher, The School and the Community, Monroe's Measuring the Results of Teaching, and Wilkinson's Rural School Management. Teachers may select any two of the books.

The District Associations The District Associations will be held on October 23-25, 1919, at Kirksville, Warrensburg, Cape Girardeau, Springfield, and Maryville. The presidents of these meetings are planning excellent programs and everything points to record breaking meetings.

GENERAL INFORMATION

This is the Preliminary Program of the St. Louis Meeting of the S. T. A. Are you a member? Of course, you are going to be a member of this Convention whether you attend or not, for as a progressive teacher you cannot afford not to belong to the professional Association of your State. Send \$1.00 today to Treasurer E. M. Carter, Columbia, Missouri, and become a member.

Tell Your Friends About It. Persons receiving this program will confer a favor on the Association by extending notice of it in the newspapers and telling their friends about it.

R. R. Rates.—The St. Louis Convention and Publicity Bureau through its Director, Mr. Charles F. Hatfield, has secured reduced railroad rates for the St. Louis Convention of the Association.

The attendance at the state meeting should be larger this year than ever before. Topics of the greatest importance will be discussed and the meeting will afford opportunity for necessary conferences relating to our

educational policy. Superintendents, supervisors, principals, and teachers need now more than ever to keep themselves informed of the big movements in education and to lend their efforts toward the solution of the big problems of the day. Come to the St. Louis meeting!

problems of the day. Come to the St. Louis meeting!

On Wednesday evening, November 5th, the meeting of the Educational Council will be held at the Statler Hotel. An excellent program is being arranged by the President of the Council, Supt. I. I. Cammack, Kansas

Hess and Culbertson Trophy—The Hess & Culbertson Jewelry Company of St. Louis has presented to the Association a handsome trophy cup. The cup will be awarded permanently to the County in the State which has for two years the highest per cent of members of the Association. In determining the per cent the number of members in the county is to be divided by the number of teachers teaching in the county. What county will win this handsome trophy in 1919?

Association Trophy—A beautiful trophy cup will be presented to the

Association Trophy—A beautiful trophy cup will be presented to the county in the state having for two years the highest number of miles to the redit of its members. In computing the total number of miles multiply the number of miles (by nearest railroad from county seat to place of State meeting) by the number of members of the Association in the County. For instance, a county with eight members 200 miles distant from St. Louis would have 16,000 miles to its credit.

Certificates of Honor—A handsome Certificate of Honor will be presented to every County in the State in 1919 having a membership per cent in the Association of seventy-five per cent or above. To calculate the per cent divide the number of members of Association in the county by the number of teachers in the county. Counties which won Certificates of Honor for a membership of seventy-five per cent or above in 1917, are: Buchanan, Livingston, Nodaway, Platte, Worth, Adair, Knox, Putnam, Bates, Schuyler, Shelby, Benton, Cass, Jackson, Johnson, Lafayette, Cape Girardeau, Wayne, Christian, Lawrence, Polk, Dade, Holt, Daviess, Scott, Caldwell, Clay, Clinton, Atchison, Ray, Carroll, Butler, Greene.

Definite plans are being made for the big St. Louis Convention to be held Nov. 6-8, 1919. The program will provide for the discussion of the

Definite plans are being made for the big St. Louis Convention to be held Nov. 6-8, 1919. The program will provide for the discussion of the issues which are to determine the future of public education in the United States in general and of public education in Missouri in particular. Contracts have been closed with a number of leaders in education and tentative promises have been secured from other speakers of national reputation. Unsettled conditions in the political and industrial world have interfered somewhat with the making of definite arrangements with some of our speakers, but we are assured of first consideration and hope to have a program that will induce all the teachers of Missouri to attend the St. Louis Meeting.

Special time and attention is being given to Rural School Problems and to the department meetings. The Chairmen of these departments are putting forth great effort to make the program of each sectional meeting an interesting and inspiring one.

An excellent opportunity will be afforded teachers to visit the St. Louis Public Schools and to observe the experiments that are being tried in the Junior High School, the Part-Time Training Classes, the Departmental Plan and the Group Work in the Elementary Grades and the new approach to the work of the Kindergarten and Primary Grades. The Harris Teachers' College, the Educational Museum, the Special Schools for Individual Instruction and the Open Air Schools, will offer much of interest. Teachers are urged to come to St. Louis Tuesday, and Wednesday, Nov. 4th and 5th, to visit the schools.

A vote of thanks is due to the teachers of Missouri who voluntarily paid their dues and thereby supported the Missouri State Teachers' Association in the trying time of the year 1918. By their enrollment these teachers have made it possible for the Association to carry out its work in connection with the legislative program and other matters of vital concern to schools of Missouri.

It is estimated that 1,400,000 children in the State have been benefited by the passage of bills of the Children's Code Commission, and the united efforts of the teaching corps in behalf of these children has created right public sentiment that will insure further progress in matters pertaining to education in Missouri.

Headquarters—The Statler Hotel, Ninth and Washington Avenue, has been selected as headquarters for the Association. Teachers may enroll here at any time. To reach the Statler from Union Station take north bound Park or Compton car to Ninth Street.

Booths for information and registration will be opened also at the Marquette Hotel, 18th and Washington; and the Maryland Hotel, 9th and Pine for the accommodation of visiting teachers.

Hotel Rates: Statler Hotel, Headquarters, Ninth and Washington Avenue: room with shower bath only, for one person \$2.00 per day, for two \$3.00; four persons in a room with tub and shower, \$2.00 per person, each person a separate bed. Five or six persons in a room with tub and shower, \$1.50 per person, each person a separate bed. These rooms are all very large and have outside exposure, all rooms have circulating ice water, and electric fan, without extra charge. Cafeteria in basement. American Hotel, Seventh and Market Streets: room with bath for one, \$1.50-\$3.00; for two, \$3.00-\$5.00. American Annex Hotel, Sixth and Market Streets: room with bath for one, \$1.50-\$2.00; for two, \$2.50-\$4.00. Jefferson Hotel, Twelfth and Locust Streets: room with bath for one, \$2.50-\$6.00; for two, \$4.00-\$8.00; room without bath for one, \$2.00; for two, \$3.00. Laclede Hotel, Sixth and Chestnut Streets: room with bath for one, \$1.50-\$3.00; for two, \$2.00-\$2.50. Majestic Hotel, Eleventh and Pine Streets: room with bath for one, \$1.50-\$3.00; for two, \$2.75-\$4.00. Marion Roe Hotel, Broadway and Pine Street: room with bath for one, \$1.50-\$2.00; for two, \$2.50-\$3.00. Marquette Hotel, Eighteenth and Washington Avenue: room with bath for one, \$2.00-\$4.00; for two, \$3.00-\$5.00; room without bath for one, \$1.50-\$2.00; for two, \$2.50-\$3.00. Maryland Hotel, Ninth and Pine Streets: room with bath for one, \$1.50; for two, \$2.50-\$3.00. Planters Hotel, Fourth and Pine Streets: room with bath for one, \$1.50-\$2.50; for two, \$2.50-\$3.50. Terminal Hotel, Union Station: room with bath for one, \$2.50-\$3.00; for two, \$2.50-\$3.50. Terminal Hotel, Union Station: room with bath for one, \$1.50-\$2.00; for two, \$2.50-\$3.50. Terminal Hotel, Union Station: room with bath for one, \$1.50-\$2.00; for two, \$2.50-\$3.50. Terminal Hotel, Union Station: room with bath for one, \$1.50-\$2.00; for two, \$2.50-\$3.50. Terminal Hotel, Union Station: room with bath for one, \$1.50-\$2.00; for two, \$2.50-\$3.50. Terminal Hotel, Union Station: room with bath for one, \$1.50-\$2.50; fo

with bath for one, \$1.75-\$3.50; for two, \$2.75-\$5.00.

All of the above hotels are on European plan, that is, the prices quoted are for rooms only. There are other good hotels. Cafes and cafeterias are run in connection with the hotels. There are hundreds of resto make reservations as soon as possible. The Conventions Bureau, Commercial Building, has a large list of boarding houses to recommend to those who prefer them to hotels. Mr. Geo. N. Martin, Chairman of the Committee on Information and Accommodation will have charge of the list at the information booths. The committee recommends reservation in good hotels to persons who have no friends in St. Louis.

WHO'S WHO ON THE GENERAL PROGRAM

Dr. Marion L. Burton, President of the University of Minnesota, Author and Lecturer. Dr. Burton has decided views on the responsibilities and the duties of American citizenship and expresses his views in an emphatic manner that convinces and inspires his audience. His address on the given

topic at the Superintendents' meeting of the N. E. A. at Chicago aroused

great enthusiasm.

Dr. Geo. D. Strayer, Professor of Educational Adminstration, Teachers' College, Columbia University, New York; Chairman N. E. A. Committee on Emergency in Education and the Program for Readjustment During and After the War.

Miss Jane Addams, Hull House, Chicago, Illinois. Miss Addams is at present in Europe. Her observations and experiences over there will make her address even more interesting than "Jane Addams'" lectures have been

Charles H. Farnsworth, Professor of Music and Speech, Columbia Uni-

versity, New York City.

Dr. W. F. Gephart, Professor of Economics and Dean of the School of

Commerce and Finance, Washington University, St. Louis, Missouri.

A NEW SPELLING BOOK

Pearson and Suzzallo's Essentials of Spelling

By HENRY CARR PEARSON, Principal of Horace Mann School, Teachers College, Columbia University and HENRY SUZZALLO, President of Washington University

The vocabulary in this new speller embodies the results of efforts on the part of leading teachers during the past six years to eliminate waste in the teaching of spelling, by scientifically determining the words that children and adults actually use in their writing. It teaches thoroughly the essential words of one's vocabulary, with a minimum of time and effort on the part of teacher and pupil. It is not just "another speller," it is different.

JOSEPH H. HILL, Manager

Home and Country Readers

By Mary A. LASELLE

Textbooks in Patriotism, Civics and Literature for the Grammar Grades

Four volumes, each with colored frontispiece and sixteen full-page pictures. Books I, II, III and IV (for 5th, 6th 7th and 8th school Years). Each 65c.

Here is your chance to teach patriotism by distributing the subjectmatter over four years and not giving too much at one time. A "patriotic reader" that is nothing else produces patriotic indigestion; the pupils tire of the subject. The Home and Country books are allaround grammar-school readers as well as textbooks in patriotism.

Readings from English and American Literature

BY WALTER TAYLOR FIELD

author of "Fingerposts to Children's Reading," and joint-author of the Young and Field
Literary Readers

This book contains selections from the best English and American literature, arranged chronologically by authors, and equipped with biographies, portraits, vocabularies, questions, helps, and suggestions for collateral reading. It forms a well-digested elementary course in literature as well as a stimulating and attractive reading book.

Complaint has been made, in recent years, of the futility of much of the teaching of literature in the high school. The failure of high school literature is due to the fact that the pupils' understanding and appreciation of literature has not been cultivated and that he is not prepared to discuss a literary selection intelligibly and with enjoyment. The use of an easy and inspiring book like "Readings from English and American Literature" in the seventh and eighth grades, or junior high school will remove this objection, and will make the study of literature in the senior high school a real pleasure.

when you ask for bids. In so doing you protect your school from an inferior article.

American Woodworking Machines are in use in the leading furniture factories and cabinet shops of the country where machines are bought on quality—where price is of minor or secondary importance.

If there is any place where the very best tools should be had it is in the school room. It is false economy to buy "cheap" machines poorly constructed and inefficiently guarded.

Teachers' Books 1919-'20

For the Teachers' Reading Circle this year the Board has adopted four splendid books: Democracy And World Relations, Measuring The Results of Teaching, Rural School Management, and The Teacher, The School, and the Community. Each will fill a distinct field and will be of much value to teachers. The Reading Circle course will consist of at least two of these books. Any two books may be selected. A review of each of the books follows:

Democracy and World Relations by David Starr Jordan, President of

Leland Standford Junior University, Palo Alto, California. R. C. Price, \$1.05. A guide-book on the interrelation between the nation and the individual

and between nation and nation.

It is imperative that teachers of future citizens have a clear outlook

on these world problems thrust upon us, for good or ill, by the World War.

The Author gives a complete discussion of democracy and its relation on nationalism, colonial policies, and internationalism. He likewise presents a searching analysis of its opposite, the dynastic state, which necessarily rests on fear and intrigue.

Dr. Jordan gives a clear exposition of the League of Nations and shows how its existance depends on democratic initiative, and its continuance on the spread of good will and conciliation, inevitable when the tap-root of

war, the dynastic system is eradicated.

Measuring the Results of Teaching by Walter S. Monroe, Ph.D., Director of Bureau of Cooperative Research School of Education, Indiana University. R. C. Price, \$1.15.

The standard tests are for the first time made available for the general use of teachers in Professor Monroe's untechnical and readable presentation. He discusses only those tests that have been proved successful; he explains the use of the tests, the scoring of results and the application of these results to actual school work. Teachers are hereby given the means of determining the individual ability of their pupils, the progress of their classes as compared with other classes, and their own personal efficiency. Upon the basis of this knowledge they are directed how to increase teaching efficiency and how to bring unsatisfactory work up to standard.

Rural School Management by W. A. Wilkinson, State Normal School, Mayville, North Dakota, edited by W. W. Charters, University of Illinois.

C. Price, \$1.10. Rural School Management sets forth clearly the two-fold mission of the rural school, viz:

1. The physical, mental and moral welfare of the country boys

2. The economic and social improvement of the community at large. It shows how the inexperienced teacher may overcome the difficulties that beset her path and realize the mission for her

It is always practical, always concrete. The author never suggests a course of conduct without showing how it may be followed; never states an abstract principle without applying it to conditions as they exist. Every topic is discussed under three heads: Functions, Difficulties and Methods The varied conditions in rural communities throughout of Improvement. the country are taken up-not simply of one county or one state.

The Teacher, The School, and the Community by Inez N. McFee, author of Studies In American and British Literature, American Heroes From History, and The Story of The Idylls of the King. R. C. Price, \$1.25. McFee's The Teacher, The School, and the Community has little to do with theory. Psychology is not even mentioned, but it deals with the

Is Your School Without a Flag Pole?

If it is y o u should was te notime in having a steel pole where you can display the Red, White and Blue.

Especially now when everyone looks to the schools for making "Democracy Safe for the World."

"OBCO" STEEL FLAG POLES

are now in front of some of the largest schools in the United States.

Our poles are storm and lightning proof, smooth and straight, last a life time, and cost less than wood poles. Each pole is fitted complete with gold leaf zine balls, halyards, etc., painted with the best rustresisting paint.

RIGHT LIGHT

What is more annoying to students than to have the sun reflect squarely on their desks or in their eyes? True, your school rooms must be light. But you can't get light that is right with shades that are not right.

Draper's Cotton Adjustable Shades are Right

They may be adjustable to any part of the window. They admit all the necessary sunlight, but keep the piercing rays of the sun away from the eyes and desks of the students.

physical, mental and moral training of the child, while it unifies the work of the school and the home.

Nature study, agriculture and home science are frequently bugaboos for many teachers, but they are treated in McFee in a helpful manner.

There are practical discussions of school government, the conducting of recitations, the awakening of community interest in school and or better rural living generally. The teacher finds needed assistance in making the school a community center in the fullest sense of the word.

TEACHERS READING CIRCLE CENTERS

The county should be divided into Reading Circle centers or divisions so that each center will contain not less than four teachers. A good time to organize the centers will be now. A competent leader should be selected in accordance with the plans of the County Superintendent for each Reading Circle center. In order to get credit for Reading Circle work, at least six meetings must be held in addition to the last meeting at which the examination is given. A minimum of sixty minutes for each lesson in each book must be spent, or a total of 120 minutes must be spent on two books at each meeting. It is especially recommended that the first Reading Circle meeting be held the first Saturday after the schools begin in September and that meetings be held every two weeks thereafter until the nine meetings shall have been held. In this way the Reading Circle work can be completed before the beginning of the bad weather in January.

CREDIT FOR READING CIRCLE WORK

State Superintendent Baker makes the following recommendations concerning secondary credit for Reading Circle work:

1. One-sixth unit secondary credit will be given on each book provided that at least two of the four books must be studied before credit is received and provided further that the total credit given in any year shall not exceed two-thirds secondary unit.

It is recommended that at least two books be studied simultaneously. Students who are in school will not be permitted to take the Reading Circle work.

4. Reading Circle work for secondary credit must be done in reading circle centers composed of not less than four teachers including the leader.

5. Each reading circle center must not hold fewer than six meetings.

6. A maximum of sixty minutes on each book must be spent at each meeting of the reading circle center or a total of on hundred and twenty minutes must be spent on two books at each meeting. (A total of three hundred and sixty (360) minutes must be spent on each book or seven hundred and twenty (720) minutes on two books exclusive of the time required for the final examination.)

The final examination for reading circle work will be given by the County Superintendent at the time and place of the March and June examinations for teachers. The examination questions are to be furnished and papers graded by th institution in which credit is desired. Competent reading circle center leaders are to be appointed by the County Superintendent.

8. It is recommended that the first reading circle center meeting be held

the first Saturday after the schools begin in September and that meetings be held every two weeks thereafter until the six meetings shall have been held. In this way the reading circle work can be completed before the beginning of the bad weather in January.

St. Louis Adopts Barnes' Brief Pitman

For Evening Schools, and Part-time and Continuation Classes

The recommendation of the Superintendent to the Board of Education was based on his approval and adoption of the favorable report of the Text-Book Committee.

The following reasons were assigned for the recommendation: First, because it is simple enough and brief enough to be completed in one year by diligent pupils.

Second, all of the principles of the system are presented in one text.

Third, the method of presentation is especially suitable for night school pupils.

Fourth, the principles presented will meet all the requirements of business and reporting work.

NOTE St. Louis High Schools have been using the Barnes Typewriting Instructor for several years.
